About Halley Star

HALLEY STAR Company was found in 2006, is a comprehensive enterprise focusing on R&D, manufacturing, marketing, lighting design and project solution of LED lamps and luminaires. HALLEY STAR Co. is one of the top lighting manufacturers in Iran, Iraq and UAE markets. For many years of independent research and development along with close cooperation with domestic academic institutions, HALLEY STAR is dedicated to R&D of lighting products.

HALLEY STAR Co. owns powerful engineering department, including R&D engineers, skilled QC team and well trained testing staffs.

By virtue of excellent technology, reliable quality and great after sales services; our company has built a high reputation in domestic and abroad markets, and gained full authorized certification included ISO 9001, 2018 International management system certification and IEC60958

Being a relative pioneer in the lighting business, HALLEY STAR strives with vigor to bring the best value and lighting experience to all customers and responds in overwhelming swiftness to every single request that customers might come up with.
